CONGRESO INTERNACIONAL DE ARQUEOLOGÍA E INFORMÁTICA GRÁFICA

## 8th INTERNATIONAL CONGRESS

Advanced 3D documentation, modelling and reconstruction  
of cultural heritage objects, monuments and sites

On behalf of the Organisation Committee of the International Congress on Archaeology, Computer Graphics, Cultural Heritage and Innovation 'ARQUEOLÓGICA 2.0', it is a pleasure to invite our colleagues from all over the world to come to the 8th Edition of ARQUEOLÓGICA 2.0 in Valencia, Spain, 5th – 7th September 2016. The lemma of the Congress is: 'Advanced 3D documentation, modelling and reconstruction of cultural heritage objects, monuments and sites'.

Researchers, professors, archaeologists, architects, engineers, art historians... from archaeology, computer graphics and geomatics dealing with cultural heritage are invited to share knowledge and experiences in the field of Virtual Archaeology. The participation of well-known researchers and enterprises is very much appreciated. An attractive and interesting schedule is arranged for the participants and visitors.

ARQUEOLÓGICA 2.0 – 2016 is organised by the Spanish Society of Virtual Archaeology (SEAV) and the Universitat Politècnica de València in cooperation with CIPA Heritage Documentation.

## PAPERS AND CONTRIBUTIONS

- 1. Scientific peer-reviewed papers:** Papers with a minimum of 5 pages. They should report innovative and outstanding research works and activities. Some selected contributions, successfully extended, will be published in Virtual Archaeology Review (VAR).
- 2. Works in progress:** Short papers up to 3 pages with figures. They should report on-going projects with some initial but interesting results. They will be assigned to poster presentations. All papers in 1 & 2 will be submitted in English (although Spanish is also accepted).
- 3. Showcases (Demo sessions):** participants are invited to show and demonstrate their tools, programmes and developments. Please contact Fabio Remondino ([remondino@fbk.eu](mailto:remondino@fbk.eu)).
