

Tenured: Open Rank
Department of Visualization/Department of Computer Science and Engineering
College of Architecture/College of Engineering - Texas A&M University

The Department of Visualization in the College of Architecture and the Department of Computer Science and Engineering in the College of Engineering at Texas A&M University invite applications for a faculty position at the Associate Professor or Professor level with research and teaching interests aligned with computer graphics and visualization. The expected start date is Fall 2020 with tenure review upon hire. This is a nine-month, full-time, academic appointment with a majority appointment in the Department of Visualization and minority appointment in the Department Computer Science and Engineering. Candidates should have relevant experience in data visualization, computer graphics, modeling and simulation, and/or human computer interaction.

The successful applicants will teach courses at the undergraduate and graduate levels, advise and mentor graduate students, develop an independent, externally funded research program, participate in all aspects of the department's activities, and serve the professional community.

Through effective industrial advisory committees that provide valuable guidance, the department has numerous opportunities for the development of laboratories and sponsorship of applied research activities. By being an integral part of Texas A&M University, with its 19 colleges and schools and 3,950 faculty, there are excellent opportunities for interaction with scholars in other departments and colleges to support large scale initiatives, as well as access to graduate students to assist in instructional and applied research activities.

Applicants must have earned a doctorate in computer science, computer engineering, or a closely related discipline. Strong written and verbal communication skills are required. Applicants should consult the department's website to review our academic and research programs (viz.arch.tamu.edu).

Applicants should submit a cover letter, curriculum vitae, teaching statement, research statement, and a list of three references (including postal addresses, phone numbers and email addresses) by applying for this specific position at the interfolio website: apply.interfolio.com/71823.

Review of applications and interviews will begin in January 15 2020, and new applications will continue to be considered until the position is filled. For additional information, please contact the search committee chair Dr. Ergun Akleman, ergun.akleman@tamu.edu

Texas A&M University is committed to enriching the learning and working environment for all visitors, students, faculty, and staff by promoting a culture that embraces inclusion, diversity, equity, and accountability. Diverse perspectives, talents, and identities are vital to accomplishing our **mission** and living our **core values**.

Equal Opportunity/Affirmative Action/Veterans/Disability Employer committed to diversity.
